Epson PP100N Discproducer

High performance dual CD/DVD recorder inkjet desktop disc publishing system with vibrant six-color inkjet printer and precision AcuGrip™ technology, automated robotic print and CD/DVD recording.

DMC-EZ Enterprise Server and Software

High performance CPU running Windows® 10 Pro or 11 Pro contains the burning and printing software which controls up to 10 PP100N Discproducer's, DMC-EZ Enterprise application and image cache. Connects to DICOM network and/or DICOM workstation(s).

Enhanced Security to meet your IT requirements

All PHI, HIPAA and user activity logs stored on the DMC-EZ Enterprise server housed in the IT room providing an additional level of security and control that your IT department have come to expect.

Easy Deployment

At each burner location only a power outlet and network drop is required making deployment simple and very flexible.

Single interface to PACS

Normally each burner would require a separate node to be setup and maintained in PACS.
