- User login supports active directory.
- **Patented technology.**

### Epson PP100iii Discproducer

High performance dual CD/DVD recorder inkjet desktop disc publishing system with vibrant six-color inkjet printer and precision AcuGrip™ technology, automated robotic print and CD/DVD recording. Automatically burns and prints up to 50 discs unattended. (Depending on system configuration.)

### DMC-EZ DICOM Server and Software

High performance CPU contains the burning and printing software, DMC-EZ application and image cache. DMC-EZ PC running Windows® 10 Pro or 11 Pro controls Epson Discproducer and connects to DICOM network or DICOM workstation. Includes display, keyboard and mouse.

### Color Inkjet Printing on CD/DVD Media

Discs surface printed at 1440 DPI. Inkjet media printing is now enhanced by the use of SST Group's MediScribe InstaDry™, Water Repel media which helps prevent degradation of the printed media surface when exposed to water or liquids.

### Fully Automated Disc Creation

Includes two CD/DVD recorders, two 50 disc input and one pull out 15 disc output bin.
