## MediScribe Certified Medical Media™

In mission critical medical imaging environments, you can't afford to use anything less than perfection. All MediScribe Certified Medical Media is manufactured in strict compliance with federal government regulations, including cGMP guidelines. MediScribe Certified Medical Media safeguards the integrity of important medical images, ensuring reliability when used with PACS, DICOM media creators and other modalities. Certified medical recording media is an essential link in the medical imaging chain.

### Why use MediScribe?

- Meet your Compliance Requirements
- Safeguard the Integrity of your medical images
- Essential Component in the Imaging Chain
- Complies with CE MDD #93/42/EEC
- Registered FDA Class 1 Device

### Why risk using anything else?
